"Why is bedtime the very best time for parents to spend time with their children? One of the best ways to end the day of your children so that they will feel special and loved is to spend your precious time with them. Just before they go to sleep, read them a bedtime story, say a prayer and kiss them good night. Reading to a child, especially at bedtime, when the distractions are minimized, enhances children's language abilities. Children learn from hearing and repetition. They sometimes want to hear a story often and soon have memorized the story. They learn not only from hearing but from the modulation, the sense stress, and the emotions that a parent puts in the reading. As they hear and learn new words, they soon learn to use these words in their sentences and in their communicating. Reading bedtime stories helps children develop motor skills, both mental and physical.
