The second book of the WAWT series, *Out of the Mailbox*, takes WAWT out of its home to a setting where it interacts with children. WAWT and the children have to write to communicate clearly. By writing, they learn about one another. The readers have space in the book to write and draw, thereby creating their own story. The book is designed for children from 5-8 years old.

Michael Grainger is a disaffected young man living with his parents in 1970s Stockton-on-Tees. Frustrated with the banality of his existence, and fully aware of his own intellect

and lack of scruples, he resolves to escape by making as much money as he can in the least possible time. After a brief dalliance with petty crime, he eventually enrolls on an art course at a local college with the express intention of doing as little work as possible while pursuing attractive female students. Mick, as he becomes known, has absolutely no artistic talent but discovers a personal flair for 'conceptual art' and a genius for shocking people. Thus begins the career of a charlatan... Once established in London, it is not long before Grainger is rubbing shoulders with a rogue's gallery of slippery agents, drug-dealers, gangsters and ladies of questionable virtue in his pursuit of fame and fortune - all through the hokum he pretends is art.

Ten Strategies of a World-Class Cyber Security Operations Center conveys MITRE's accumulated expertise on enterprise-grade computer network defense. It covers ten key qualities of leading Cyber Security Operations Centers (CSOCs), ranging from their structure and organization, to processes that best enable smooth operations, to approaches that extract maximum value from key CSOC technology investments. This book offers perspective and context for key decision points in structuring a CSOC, such as what capabilities to offer, how to architect large-scale data collection and analysis, and how to prepare the CSOC team for agile, threat-based response. If you manage, work in, or are standing up a CSOC, this book is for you. It is also available on MITRE's website, [www.mitre.org](http://www.mitre.org).

Paul Jonas leader of the "Blackout Gang" is released early

from prison, only doing 10 of his 50 year sentence. Tension rises as Jonas realizes that his sister is a wild card and still pulling rank on his gang, even though he has return home. Even worse, his early release was not without a price, a sexy undercover DEA agent is sent to intercept Jonas and gets entangled into his web and finds herself in over her head having equivocal feelings. The streets of Chicago are painted red, as Blackout Gang place a stranglehold on the city and monopolizes on their territory by creating an active war zone. Things go from bad to worst as rival gang "Bogus Boyz" fights for control and the body count in Chicago reach epic proportions. Will the DEA be successful in their pursuit of taking down Blackout Gang ? Will Blackout Gang pull off the impossible by being the first gang in the history of Chicago to take dominance of the entire city? --Editor, Robert Kauffman "Blackout Gang at the core is fictional retelling of gang life on the streets of Chicago and Chris grabs you with his writing from the beginning to end. He keeps you guessing. The story brings awareness of what is really taking place on the streets of Chicago, and gives insight into gang life in the third most populous city in America."

Ghana has always held a position of primacy in the African political and historical imagination, due in no small part to the indelible impression left president Kwame Nkrumah. This study examines the symbolic strategies he used to construct the Ghanaian state through currency, stamps, museums, flags, and other public icons.

The present volume is dedicated to Michael L. Bates, Curator Emeritus of Islamic Coins at the American Numismatic Society.
