The aim of this book, with its superb step by step photographs and detailed diagrams is to enable every owner to understand the workings of an outboard motor (2 or 4 stroke) and be able to fix it with relative ease. It includes: an explanation of the different parts that make up the engine and how they interact; how fuel is transformed into propulsion; regular maintenance and repair worksheets to help even the most mechanically ignorant to work on their outboard engine with confidence; the most common causes of breakdown; troubleshooting tables to allow you to diagnose and fix the most common engine problems and advice on how to winterize your outboard in one short afternoon. After reading this book, your outboard will no longer be a potential bother to you but an ally for better boating.

Providing complete coverage on everything from basic maintenance to engine overhaul, every manual features: -Simple-to-follow, step-by-step, illustrated procedures -Hundreds of exploded drawings, photographs and tables -Troubleshooting sections, accurate specifications and wiring diagrams -Recognized and used by technical trade schools as well as the U.S. military Covers all 80-300 Hp, V4, V6 and V8, 2-stroke models.

" A work of extraordinary imagination and sympathy, a journey from slavery to the mountaintop, perfectly realized. " —Ken Burns. American filmmaker Born on Emancipation Day, 1863, to a sharecropping family of black and Indian blood, Elijah Yancy never lived as a slave—but his self—image as a free person is at war with his surroundings: Spartanburg, South Carolina, in the Reconstructed South. Exiled for his own survival as a teenager, Elijah walks west to the Nebraska plains—and, like other rootless young African– American men of that era, joins up with the US cavalry. The trajectory of Elijah ' s army career parallels the nation ' s imperial adventures in the late 19th century; subduing Native Americans in the West, quelling rebellion in the Philippines. Haunted by the terrors endured by black Americans and by his part in persecuting other people of color, Elijah is sustained only by visions, memories, prayers, and his questing spirit—which ultimately finds a home when his troop is posted to the newly created Yosemite National Park in 1903. Here, living with little beyond mountain light, running water, campfires, and stars, he becomes a man who owns himself completely, while knowing he ' s left pieces of himself scattered along his life ' s path like pebbles on a creek bed. " Seen through the fresh eyes of buffalo soldier Elijah Yancy, Yosemite is Gloryland, his true home. Shelton Johnson has written a beautiful novel about Elijah ' s journey. " —Maxine Hong Kingston, author of China Men and The Woman Warrior
