92-95 civic fog light bulbs | Honda and Acura Car Forums

1992-1995 Honda Civic EG Fog Lights Kit Front fog lamps provide a wide, bar-shaped beam of light with a sharp cutoff at the top, and are generally aimed and mounted low. They are intended for use at low speed to increase the illumination directed towards the road surface and verges in conditions of poor visibility due to rain, fog, dust or snow.

92-95 Civic JDM Fog Light Problem? I recently installed a JDM fog light kit for my 95 civic that i bought off of ebay. After hooking everything up the lights do not turn on, i've checked all me grounds and i've checked the relay, the only thing i was not sure of during the install was a dual yellow wire that came together with one conector at ...
