ACE Personal Trainer Study Guide 2018-2019 and ACE Personal Trainer Exam Prep Book for the American Council on Exercise Personal Training Certification Exam.

ACSM's Resources for the Personal Trainer provides a broad introduction to the field of personal training, covering both basic science topics and practical application. It was originally designed to help people prepare for the ACSM Personal Training Certification Exam. It continues to serve that function, but the market for it has expanded to practitioners in the field looking for an additional resource, as well as in an academic setting where the book is a core text for personal training programs.
