AMH Online is the Australian Medicines Handbook for desktops, laptops, tablets and smartphones with internet access. An independent, evidence-based national drug reference, it is an important clinical resource for health practitioners concerned with the quality use of medicines. It offers concise, reliable and comprehensive information with easy-to-find comparative drug data allowing users to compare drugs and make informed prescribing choices.

AMH Online | Australian Medicines Handbook

The Australian Immunisation Handbook provides clinical advice for health professionals on the safest and most effective use of vaccines in their practice.

These recommendations are developed by the Australian Technical Advisory Group on Immunisation (ATAGI) and approved
