This book doesn't rely on NLP, CBT or life coaching techniques, but instead draws on the authors' own experiences as two overweight and unhappy overeaters and their ten years of experience working with thousands of failed dieters in the 'Beyond Chocolate' workshops and the successful techniques used in their newly established 'Stop Overeating' workshops to offer women a practical, sustainable approach to stopping overeating and achieving long term weight loss.

From the wonderfully evocative and talented Mary Reed McCall comes the first novel of an exciting new trilogy based on the mysterious and fascinating Knights of Templar. Sir Richard de Cantor, a highly-skilled warrior, is hampered by guilt over the ambitious, materialistic way he'd lived before he joined the Templar Brotherhood -- a lifestyle he believes led to the death of his young daughter. Lady Margaret Newcomb is a disgraced daughter of a powerful English earl and has led a quiet life of penance and atonement. Though of different backgrounds, in truth they are both lonely, battered by the world, and in desperate need of each other's love and acceptance. Their fragile relationship is soon threatened when the French Inquisition makes its way to England, and Richard is faced with charges for his position as a Templar Knight, only to have their love further tested when someone from Meg's past reappears with the power to tear the two apart.

The Perfect Woman To Aiden Terrell, Alexandra Radford is a captivating combination of British propriety and eastern exoticism. But this confirmed bachelor has sworn off love and instead has decided to assist at his friend's private investigation business. Now his job is to protect the exquisite Alexandra and her young pupil from a shadowy threat. But guarding himself against Miss Radford's charms will be another matter altogether... The Perfect Attraction Insufferable. Insolent. Intriguing. Mr. Terrell is all of these things and more--though Alex can't afford to care. If he weren't her last resort, she'd surely have dismissed him after that first smoldering glance--a glance that sent her heart racing with a desire she'd never known. However, when the threat of danger increases, and secrets from the past come to the fore, Alex's fierce resolve melts as she seeks warm comfort and delicious passion in Aiden's arms. And with each moment they share, Aiden is becoming less someone she needs than someone she wants. But what will happen when all secrets are revealed? She wakes from the explosion to find she's been transported more than a hundred years into the future to a new world where nothing makes sense. As handsome and as kind as Dr. Julius Freeman is, Katia doesn't buy his story that she's been in a coma, and she certainly doesn't trust him. She does know, however, that the horrors of her previous life have followed her to this century. Katia stirs more than strictly professional feelings within Julius, but he, too, harbors a dark secret that could threaten everything building between them. When Julius is attacked and kidnapped, Katia must face her demons and fight like she's never fought before to save the man she loves. Sensuality Level: Sensual
