upbringing . . . as accomplished a writer of elegant prose as he was of narcotically enhanced lyrics about urban ennui -- Neil Armstrong, Mail on Sunday a thrillingly energetic, bracingly entertaining snapshot of a writer hitting his first full flush ...

Coal Black Mornings: Amazon.co.uk: Anderson, Brett ...

' Coal Black Mornings ' ends just as Suede get their record deal and finally start gaining their unstoppable momentum - however, prior to this, there were years of playing to tiny audiences. ' Coal Black Mornings ', which focusses on Brett's early life and the pre-fame years, is therefore not the standard rock memoir. It's all the bet

Anderson - Goodreads

Brett Anderson came from a world impossibly distant from rock star success, and in *Coal Black Mornings* he traces the journey that took him from a childhood as 'a snotty, sniffy, slightly maudlin sort of boy raised on Salad Cream and milky tea and cheap meat' to becoming founder and lead singer of Suede.

Amazon.co.uk:Customer reviews: Coal Black Mornings

The Black Coal Mornings consciously ends at the point that Suede sign their record deal with Nude, so the highs and dark lows of success are not the focus of this book. A brave decision, that gives this book a distinct character, and allows the narrative to breathe. The audio book is the definitive version, as it is given extra life through Brett's narration. I absolutely loved it.
