Hotel Rwanda is based on real characters and events that took place in Rwanda in 1994. Tension between Hutu and Tutsi ethnic groups reached a crisis point in that year, when Rwandan radio announced that May 5 was to be the ‘ cleanup day ’ . On that day the capital, Kigali, must be cleansed of Tutsis. Nearly one million people were killed by Hutu militia shortly after this announcement. Hotel Rwanda is a film about this event.

"Hotel Rwanda" is not the story of that massacre. It is the story of a hotel manager who saved the lives of 1,200 people by being, essentially, a very good hotel manager. The man is named Paul Rusesabagina, and he is played by Don Cheadle as a man of quiet, steady competence in a time of chaos. This is not the kind of man the camera silhouettes ...

The making of the motion picture "Hotel Rwanda."

In 2004, the Academy Award–nominated movie *Hotel Rwanda* lionized hotel manager Paul Rusesabagina for single-handedly saving the lives of all who sought refuge in the Hotel des Milles Collines during Rwanda's genocide against the Tutsi in 1994. Because of the film, the real-life Rusesabagina has been compared to Oskar Schindler, but unbeknownst to the public, the hotel's refugees don't endorse Rusesabagina's version of the events. In the wake of *Hotel Rwanda*'s international success, Rusesabagina is one of the most well-known Rwandans and now the smiling face of the very Hutu Power groups who drove the genocide. He is accused by the Rwandan prosecutor general of being a genocide negationist and funding the terrorist group Democratic Forces for the Liberation of Rwanda (FDLR). In *Inside the Hotel Rwanda*, survivor Edouard Kayihura tells his own personal story of what life was really like during those harrowing 100 days within the walls of that infamous hotel and offers the testimonies of others who survived there, from Hutu and Tutsi to UN peacekeepers. Kayihura tells of his life in a divided society and his journey to the place he believed would be safe from slaughter. *Inside the Hotel Rwanda* exposes Paul Rusesabagina as a profiteering, politically ambitious Hutu Power sympathizer who extorted money from those who sought refuge, threatening to send those who did not pay to the genocidaires, despite pleas from the hotel's corporate ownership to stop. *Inside the Hotel Rwanda* is at once a memoir, a critical deconstruction of a heralded Hollywood movie alleged to be factual, and a political analysis aimed at exposing a falsely created hero using his fame to be a political force, spouting the same

The remarkable autobiography of Paul Rusesabagina, the globally-recognized human rights champion whose heroism inspired the film Hotel Rwanda “ Fascinating...your book is called An Ordinary Man, yet you took on an extraordinary feat with courage, determination, and diplomacy. ” – Oprah, O, The Oprah Magazine As Rwanda was thrown into chaos during the 1994 genocide, Rusesabagina, a hotel manager, turned the luxurious Hotel Milles Collines into a refuge for more than 1,200 Tutsi and moderate Hutu refugees, while fending off their would-be killers with a combination of diplomacy and deception. In An Ordinary Man, he tells the story of his childhood, retraces his accidental path to heroism, revisits the 100 days in which he was the only thing standing between his “ guests ” and a hideous death, and recounts his subsequent life as a refugee and activist.

A powerful investigation into a grisly political murder and the authoritarian regime behind it: *DO NOT DISTURB* upends the narrative that Rwanda sold the world after the deadliest genocide of the twentieth century. We think we know the story of Africa ' s Great Lakes region. Following the Rwandan genocide, an idealistic group of young rebels overthrew the brutal regime in Kigali, ushering in an era of peace and stability that made Rwanda the donor darling of the West, winning comparisons with Switzerland and Singapore. But the truth was considerably more sinister. Vividly sourcing her story with direct testimony from key participants, Wrong uses the story of the murder of Patrick Karegeya, once Rwanda ' s head of external intelligence and a quicksilver operator of supple charm, to paint the portrait of a modern African dictatorship created in the chilling likeness of Paul Kagame, the president who sanctioned his former friend ' s assassination.

many political scientists or historians to trying to understand why this small country... sank in such appalling violence." -- Radio France International In April of 1994, nearly a million Rwandans were killed in what would prove to be one of the swiftest, most terrifying killing sprees of the 20th century. In *Murambi, The Book of Bones*, Boubacar Boris Diop comes face to face with the chilling horror and overwhelming sadness of the tragedy. Now, the power of Diop's acclaimed novel is available to English-speaking readers through Fiona Mc Laughlin's crisp translation. The novel recounts the story of a Rwandan history teacher, Cornelius Uvimana, who was living and working in Djibouti at the time of the massacre. He returns to Rwanda to try to comprehend the death of his family and to write a play about the events that took place there. As the novel unfolds, Cornelius begins to understand that it is only our humanity that will save us, and that as a writer, he must bear witness to the atrocities of the genocide. From the novel: "If only by the way people are walking, you can see that tension is mounting by the minute. I can feel it almost physically. Everyone is running or at least hurrying about. I meet more and more passersby who seem to be walking around in circles. There seems to be another light in their eyes. I think of the fathers who have to face the anguished eyes of their children and who can't tell them anything. For them, the country has become an immense trap in the space of just a few hours. Death is on the prowl. They can't even dream of defending themselves. Everything has been meticulously prepared for a long time: the administration, the army, and the [militia] are going to combine forces to kill, if possible, every last one of them."
