Only write about that which can be shown on screen. In other words, don't write about a character's thoughts. Do include emotions as these can be shown on the screen. Be detailed when it comes to describing physical actions. Include a description of the information the dialogue will convey in each scene.

~~How to Write a Movie | Film Connection~~

How To Write A Movie Script Use proper script font & margins. The screenplay font used to write movie scripts is Courier 12pt. Courier is used as the standard screenplay font because it creates a page to screen ratio of 1:1. Where one page of a script translates to one minute of screen time, so this is one area that really shouldn't be modified.
