Literature-based instruction is the type of instruction in which authors' original narrative and expository works are used as the core for experiences to support children in developing literacy. The types of activities done with the literature are the natural types of things children and adults would do when reading and responding to any good book.

A mini lesson is a short lesson with a narrow focus that provides instruction in a skill or concept that students will then relate to a larger lesson that will follow. A mini lesson typically precedes reading workshop or writing workshop, but it can serve as an introduction to a social studies, science, or math lesson. Mini lessons can be used to teach particular skills, extend previous learning, create interest in a topic and generate questions, or introduce strategies. Why Is It Important?
