Title:Look, Listen and Learn. Look, Listen and Learn. Authors: Relja Arandjelovi?, Andrew Zisserman. Download PDF. Abstract: We consider the question: what can be learnt by looking at and listening to a large number of unlabelled videos? There is a valuable, but so far untapped, source of information contained in the video itself -- the correspondence between the visual and the audio streams, and we introduce a novel "Audio-Visual Correspondence" learning task that makes use of this.
