Body Mustang was introduced with the SROD (Single Rail Overdrive) Transmission. During this time, Mustang's performance was still detuned due to emissions, regulations, and gas prices.

Complete Mustang Manual Transmission Guide | Steeda

Manual transmissions don ' t have a “ park ” position the way an automatic does. You can leave the transmission in neutral and set the parking brake, but that ' s not the greatest idea, because the parking brake can fail and let the car roll off. The best option for parking is to select the gear with the highest numerical gear ratio.

How to Drive a Manual Transmission [Guide]

Driving a car with a manual transmission—also called a stick shift—requires more skill and understanding than operating a vehicle with an automatic transmission. In a stick shift vehicle, you will be manually shifting gears to adjust your speed, rather than letting the car do it for you . Once you know the basics, you'll know how to drive a manual transmission vehicle in no time.
