Casein in milk has been described as a primary cause of mucous, congestion and childhood earaches. Without dairy consumption, there might not be a need for those antidotes. "Cows milk in the past has always been oversold as the perfect food....but the goverment really shouldn't promote it as such".

## Book review "MILK The Deadly Poison" by Robert Cohen

Robert Cohen performed research in the 1970's on the hormonal effects on the brain and behavior. Twenty-five years later, this father of three became concerned about the most controversial drug approval in FDA history, the genetically engineered hormone that is now in our milk supply. Along the way, Cohen discovered that milk is implicated in
