Perfekt Order is the first book in her second series, The Aere Saga. These two sagas are very similar considering that they both involve college age women falling in love with Norse Gods. However, their concepts are very enticing, and I enjoyed both. S.T. Bende has the gift of writing a contemporary novel that incorporates mythology accurately.

~~Perfekt Order (The Aere Saga, #1) by S.T. Bende~~

Perfekt Order, the first book in S.T. Bende's Aere Saga, tells us the story of Mia, a fresh-faced 17-year-old who has just driven across country to start her freshman year of college. If you've read the blurb for the book, you have seen that Mia has a life plan, which doesn't include bumping into the God of War or finding out that all those Norse mythologies are actually true.

~~Perfekt Order (The Aere Saga Book 1) eBook: Bende, S.T...~~

Turns out Tyr is a god whose mission is protecting Mia from a violent creature straight out of the darkest fairy tale. Inspired by Norse mythology, Perfekt Order kicks off S. T. Bende's series, a fun, bubbly blend of mundane college drama and battles against dark forces.

"Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -iBooks Official Review All's fair when you're in love with War. For seventeen-year-old Mia Ahlström, a world ruled by order is the only world she allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And while her five year plan includes finding her very own happily-evah-aftah, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had.

"Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -iBooks Official Review From international bestselling author S.T. Bende comes the complete story of the Ære Saga (Books 1-4). Book 1: PERFEKT ORDER All's fair when you're in love with War. For seventeen-year-old Mia Ahlström, a world ruled by order is the only world she allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And while her five year plan includes finding her very own happily-evah-aftah, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had. Book 2: PERFEKT CONTROL Rule the realms. Brynn Aksel is a valkyrie—a battle goddess tasked with protecting both the God of War and the future of Asgard. She fends off giants and dark elves with an iron fist, a glossy smile, and no less than perfekt control. She's focused one-hundred-percent on rising through the valkyrie ranks, and not at all on her lifelong crush on Henrik Andersson—the one guy in all the realms who could be her undoing. Henrik serves as War's other bodyguard, and he's too focused on protecting their shared charge to realize that Brynn's a girl. When an unprecedented surge of darkness abducts the Goddess of Love, Brynn's already-steely focus is singularly directed on her new assignment—accompany Henrik to recover the realms' source of light before the cosmos descends into chaos. While battling demons, dragons, and the not-quite-dead, it becomes clear that immortality does not equal invincibility. And when Hel herself puts a hit on Brynn, the valkyrie has to decide if staying in control is worth losing everything . . . or if it's time to rule the realms. Book 3: PERFEKT BALANCE Become what you believe. Elsa Fredriksen knows there's a thin line between love and fear. As High Healer, she rights the wrongs committed by those who choose

the darkness. But even Asgard's secret weapon can't undo every injury—especially when her fate is completely entwined with the god she's trying to save. Elsa's in love with the Norse God of Justice. But Forse's heart is ruled by fear—fear that the past will repeat itself; fear that opening his heart will compromise his ability to do his job; fear that he'll hurt the one girl he desperately wants to protect. Again. When Elsa faces off against the very monster she once swore to protect, her survival depends on a power she isn't sure she can control. And when Forse's worst nightmare unfolds in front of him, Elsa has to decide whether it's more important to hold the realms in perfekt balance . . . or hold onto the guy she can't imagine existing without. Book 4: PERFEKT MATCH For honor. For love. For Asgard. Valkyrie Brynn Aksel is ready for some downtime. But when an urgent warning arrives from Asgard, heralding the death of a beloved god and the dawn of Ragnarok—the not-so-mythological end of days—it becomes clear there's no rest for the gods . . . not when future of the realms is on the line. Goddess of Love Freya Skönsten can't shake the darkness that's clung to her since her Helheim imprisonment. An unsanctioned romantic connection with a mortal is the only thing keeping her in the light, but Freya's vow to the Norns prevents her from fully uniting with her perfekt match. When Hel returns to finish what she started, Freya must decide how much she's ready to sacrifice to save the family she loves . . . and whether she's willing to give up everything for the worlds she's sworn to protect. With the forces of darkness aligning to destroy the realms, it's clear more than just Love hangs in the balance. Ragnarok has arrived. And it's shaping up to be the perfekt storm.

Ruling a realm was never going to be easy. After stepping into her royal role, sixteen-year-old Aura Nilssen quickly discovers the dark side of leadership. Although she's determined to steer Alfheim off its course of self-destruction, an unyielding tyrant remains equally resolved to stop her. When Aura uncovers the depth of Alfheim's corruption, she sets out to recover the allies she needs to protect her home. But when she meets a girl whose background mirrors her own, Aura learns she has powers she never knew existed. She'll need Viggo's help to master her abilities . . . but is their new relationship strong enough to survive the reality of who she is? In the face of dark magic, powerful enemies, and the unlikeliest of allies, Aura discovers the true nature of her own duality. It turns out that she's more than just the crown princess of Alfheim. She's a dark faerie. And now she's met her match.

Aura Nilssen's life hasn't gone at all according to plan. She's the unwitting heir to a tainted throne, the recipient of not one but two unwanted legacies, and she's on the hit list of every dark realm in the cosmos. But with weeks to go before her graduation from Alfheim Academy and official coronation as Queen, the reluctant royal thinks she can finally take a breath. She should have known better. When her allies' borders are breached, Aura knows it's only a matter of time before Alfheim is attacked. And when dark powers move against her home, Aura and her friends set out to determine exactly who might be strong enough to overpower the light realms. With more than just Alfheim's future on the line, Aura must decide how much she's willing to sacrifice for the home she's grown to love . . . and the warrior

who's claimed her heart.

Eighteen-year-old Ingrid Tirsdatter is a shieldmaiden—a Viking warrior tasked with protecting her clan while upholding their virtues of honor, valor, and total domination. She's one-hundred-percent focused on climbing the shieldmaiden ranks, and not at all focused on Axel Andersson—the overly confident and unnaturally good-looking warrior who saved her life exactly one time . . . and hasn't let her forget it. When an unparalleled enemy threatens Ingrid's clan, she vows to do everything in her power to protect her home. But saving Valkyris will require her to travel one thousand years into the future, join an elite Southern California sorority, capture a magic-wielding psychopath . . . and not fall for the one warrior in all the realms who could be her undoing. Ingrid's new assignment is a nightmare in the making, but she's determined to do her clan proud. After all, she's a shieldmaiden. And shieldmaidens never back down. This is a full length, young adult fantasy for readers who love action, adventure, subterfuge and romance.
