In the Saint Mary's Press® College Study Bible, Saint Mary's Press takes an innovative approach to teaching the Bible to college-level students. The opening "Letter to College Students," written by two college students, sets the tone for this Bible that strikes a measured balance approach between the academic and the personal. The Saint Mary's Press® College Study Bible uses all the introductions, notes, and text of the New American Bible translation.

At St Mary's Doctoral College, you can study for a PhD, MPhil or a Professional Doctorate in Education (EdD). I undertook a PhD to investigate perceptual-motor skills in sport with the Expert Performance and Skill Acquisition Research Group at St Mary's. The Research Student room in the Naylor Library was a great facility to work, to meet and discuss with other researchers, get insight into other fields, and support each other's PhD journeys.
