Scientific Mythologies makes it clear

Read PDF Scientific Mythologies How Science And Science Fiction Forge New Religious Beliefs

that we all believe in something beyond the reach of science. We all have "evidence for things not seen." The question is not whether or not we have a belief that goes beyond the facts; the question is whether or not the foundation upon which we build matches the shape of the world.

Empires and Mangers: Scientific Mythologies: How Science ...

Extraterrestrial gnosis, belief in the Future, and the coming of trans-human entities (either through earthly scientific experiment or extraterrestrial manipulation) provide the context and the players in the worldview fostered by science-fiction and speculative science.
