This is the story of a man in conformist suburbia who learns to embrace his own individuality. Mr. Plumbean lives on a street where all the houses look the same, and everyone likes it that way. Everything changes when a seagull splashes orange paint on Mr. Plumbean's house. He decides to paint his house to reflect his colorful dreams.

The original publication of the Big Orange Drawing Book was printed wider and not so tall. This new aspect ratio makes some of the drawings look a bit weird. Also because it is a paper back and is tall and skinny, it's hard to see some of the drawings towards the inner edges of some of the pages.

NATIONAL BESTSELLER • PEN/HEMINGWAY AWARD WINNER • One of The New York Times 10 Best Books of the Year • A wondrous and shattering novel that follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, *There There* is at once poignant and unflinching, utterly contemporary and truly unforgettable.

We all know nothing rhymes with orange. But how does that make Orange feel? Well, left out! When a parade of fruit gets together to sing a song about how wonderful they are—and the song happens to rhyme—Orange can't help but feel like it's impossible for him to ever fit in. But when one particularly intuitive Apple notices how Orange is feeling, the entire English language begins to become a bit more inclusive. Beloved author-illustrator Adam Rex has created a hilarious yet poignant parable about feeling left out, celebrating difference, and the irrefutable fact that nothing rhymes with orange. Plus, this is the fixed format version, which looks almost identical to the print edition.
