How To Build Effective Sales Funnels Learn how to make your business more successful Ever Wondered How To Boost Your Sales? Having Difficulty With Getting Your Customers To Pull Out Their Credit Cards And Making A Purchase? Been Struggling With Generating Enough Leads? Wondering How You Can Convert More Leads To Sales? Equip your business with a more powerful strategy to increase sales and make more money Did you know that out of every 100 enquiries, only 38% are typically converted into sales ready leads? Of these sales ready leads, merely 39% become qualified prospects, and of those only a measly 29% actually convert to actual sales? So this means that out of every 100 enquiries, only four are converted into sales. So, how do you give your business a new lifeline? How do you boost your leads and direct more of them to the cash register? If you have been wondering how to make your sales skyrocket, you're about to discover the answer. Who can resist an offer that makes your sales grow and ensures higher return on investment? * Make your business more successful and watch your sales grow and service sell like hot cakes * Get more people to be interested in what your business has to offer * Convert a higher number of targeted customers to hot prospects and convert a larger percentage of prospects into regular customers * Generate higher revenues and have sufficient funds to invest into growth * Increase the productivity of your sales team * Scale your contacts and sales pipeline rather than increasing your sales team * Develop a manageable cost structure that suits your needs * Set up an optimal sales team and get improved results * Get a higher Return on Investment from the sales team and sales process * Get more sales opportunities and more appointments with people in the decision making roles * Capture and retain more customers and see your business flourishing

Do you really want to know how to build a high conversion sales funnel? Do you want to know how to get your business off the ground? The term funnel identifies that part of marketing that has the task of directing users to buy your products with sponsored, blogs, email marketing and more. The funnel is commonly represented as a funnel but can actually be imagined more as a sieve, as its task is to pass on qualified users to purchase your products and disqualify those who are not targeted. In this book, you will be taught to understand: The psychology of the customer How to speed up the construction of a sales funnel How to optimize the conversion rate to increase your profits How to optimize the setting of Google Analytics. Even if you are at the beginning of your business and have never built a funnel, with this book you will learn the logic behind a sales funnel and avoid making the most trivial mistakes. This will allow you to achieve excellent results in your business in the short term. What are you waiting for? Want to know more? Buy Now and get your copy!!!!

Master the science of funnel building to grow your company online with sales funnels in this updated edition from the \$100M entrepreneur and co-founder of the software company ClickFunnels. DotCom Secrets is not just another "how-to" book on internet marketing. This book is not about getting more traffic to your website—yet the secrets you'll learn will help you to get exponentially more traffic than ever before. This book is not about increasing your conversions—yet these secrets will increase your conversions more than any headline tweak or split test you could ever hope to make. Low traffic or low conversion rates are symptoms of a much greater problem that's a little harder to see (that's the bad news), but a lot easier to fix (that's the good news). What most businesses really have is a "funnel" problem. Your funnel is the online process that you take your potential customers through to turn them into actual customers. Everyone has a funnel (even if they don't realize it), and yours is either bringing more customers to you, or repelling them. In this updated edition, Russell Brunson, CEO and co-founder of the multimillion-dollar software company ClickFunnels, reveals his greatest secrets to generating leads and selling products and services after running tens of thousands of his own split tests. Stop repelling potential customers. Implement these processes, funnels, frameworks, and scripts now so you can fix your funnel, turn it into the most profitable member of your team, and grow your company online.

"If you need more traffic, leads and sales, you need The Conversion Code." Neil Patel co-founder Crazy Egg "We've helped 11,000+ businesses generate more than 31 million leads and consider The Conversion Code a must read." Oli Gardner co-founder Unbounce "We'd been closing 55% of our qualified appointments. We increased that to 76% as a direct result of implementing The Conversion Code." Dan Stewart CEO Happy Grasshopper "The strategies in The Conversion Code are highly effective and immediately helped our entire sales team. The book explains the science behind selling in a way that is simple to remember and easy to implement." Steve Pacinelli CMO BombBomb Capture and close more Internet leads with a new sales script and powerful marketing templates The Conversion Code provides a step-by-step blueprint for increasing sales in the modern, Internet-driven era. Today's consumers are savvy, and they have more options than ever before. Capturing their attention and turning it into revenue requires a whole new approach to marketing and sales. This book provides clear guidance toward conquering the new paradigm shift towards online lead generation and inside sales. You'll learn how to capture those invaluable Internet leads, convert them into appointments, and close more deals. Regardless of product or industry, this proven process will increase both the quantity and quality of leads and put your sales figures on the rise. Traditional sales and marketing advice is becoming less and less relevant as today's consumers are spending much more time online, and salespeople are calling, emailing, and texting leads instead of meeting them in person. This book shows you where to find them, how to engage them, and how to position your company as the ideal solution to their needs. Engage with consumers more effectively online Leverage the strengths of social media, apps, and blogs to capture more leads for less money Convert more Internet leads into real-world prospects and sales appointments Make connections on every call and learn the exact words that close more sales The business world is moving away from "belly-to-belly" interactions and traditional advertising. Companies are forced to engage with prospective customers first online—the vast majority through social media, mobile apps, blogs, and live chat—before ever meeting in person. Yesterday's marketing advice no longer applies to today's tech savvy, mobile-first, social media-addicted consumer, and the new sales environment demands that you meet consumers where they are and close them, quickly. The Conversion Code gives you an actionable blueprint for capturing Internet leads and turning them into customers.
