The release of the landmark first edition of God, Marriage, and Family provided an integrated, biblical treatment of God's purposes for the home. Since then, explain authors Andreas Köstenberger and David Jones, the crisis confronting modern households has only intensified, and yet the solution remains the same: obedience to and application of God's Word. In the second edition of God, Marriage, and Family, Köstenberger and Jones explore the latest controversies, cultural shifts, and teachings within both the church and society and further apply Scripture's timeless principles to contemporary issues. This new edition includes an assessment of the family-integrated church movement; discussion of recent debates on corporal punishment, singleness, homosexuality, and divorce and remarriage; new sections on the theology of sex and the parenting of teens; and updated bibliographies. This book will prove to be a valuable resource for personal and group study, Christian counseling, and marriage and family courses.

This handbook is written to help busy pastors, missionaries, lay counselors and marriage mentors with a structured course for conducting marriage preparation. Topics addressed: 1) View of Marriage. What expectations does each partner have about marriage? 2) Family of Origin. How does each partner feel about his or her own family background? What traits of their family background does each partner want to or not want to carry into their marriage? 3) Roles. Does the couple have a biblical understanding of their marital roles? 4) Communication. Does each partner feel heard by the other? Does each person feel comfortable sharing feelings with the other? 5) Conflict resolution. Does the couple have the ability to resolve problems without destructive side effects? 6) Parenting. Do both partners want to have children? How will they be taken care of, and by whom? 7) Sex. What are their views of sex before marriage? Who or what are their sources for sex education? 8) Finances. How are money matters to be decided? Have they agreed on a budget?

During the past fifty years, Western culture has experienced a significant shift in its overall stance regarding multiethnic marriage. As a result, more North Americans than ever marry spouses whose ethnicity (or culture) differs from theirs. This trend also is observable in Christian circles. Unfortunately, few resources exist to help multiethnic couples maneuver through the potential minefield of cultural collision. The purpose of this volume is to provide such a resource. Equally Yoked examines the subject of multiethnic marriage from a biblical perspective, before considering a history of the practice in

North America over the last four centuries. Additionally, this book surveys the challenges that multiethnic Christian couples frequently encounter, and offers premarital counseling propositions that will prove valuable to both counselors and couples who originate from diverse backgrounds.

As a pastor your job is filled with blessings and satisfaction, as well as unique challenges and pitfalls. Here a ministry veteran covers virtually all of those areas with a wealth of practical insight culled from 44 years in the pastorate. Blending his deep love of the Word and commitment to biblical ministry, Curtis Thomas offers a rich source of help and encouragement that will enthuse and benefit you whether you've pastored for five years or 50.

The gospel brings liberty to men, women, and children bound by every conceivable sin and affliction. Psychology provides a tool for applying the power of the gospel in practical ways. Drawing on biblical truths and psychological principles, Counseling in African-American Communities helps us—Christian counselors, pastors, and church leaders—to meet the deep needs of our communities with life-changing effect. Marshaling the knowledge and experience of experts in the areas of addiction, family issues, mental health, and other critical issues, this no-nonsense handbook supplies distinctively African-American insights on the problems tearing lives and families apart all around us: Domestic Abuse Gambling Addiction Blended Families Sexual Addiction and the Internet Depression and Bipolar Disorder Divorce Recovery Unemployment Sexual Abuse and Incest Demonology Grief and Loss Schizophrenia Substance Abuse . . . and much more

An excellent book that covers the wide variety and deep complexity of seemingly impossible biblical counseling issues in the challenging culture in which we live. The gospel brings liberty to men, women, and children bound by every conceivable sin and affliction. Psychology provides a tool for applying the power of the gospel in practical ways. Drawing on biblical truths and psychological principles, Counseling for Seemingly Impossible Problems helps us—Christian counselors, pastors, and church leaders—to meet the deep needs of our communities with life-changing effects. Marshaling the knowledge and experience of experts in the areas of addiction, family issues, mental health, and other critical issues, this no-nonsense handbook supplies insights on the problems tearing lives and families apart all around us: domestic abuse, gambling addiction, blended families, sexual addiction and the Internet, depression and bipolar disorder, divorce recovery, unemployment, sexual abuse and incest, demonology, grief and loss, schizophrenia, substance abuse ... and much more.
